

Beginner Knitting Workshop at Chassagne Farm

Knitter extraordinaire Judy Zimmerman Jaborek has designed our very own "Vincent" reversible pillow that you will knit using our lovely Shetland yarn available in a few natural colours. Inspired by our resident Eurasian Eagle Owl 'Vincent', Judy designed the lovely single cable pillow. She will teach you all the basics of knitting, and you'll receive hand-outs with excellent illustrations, and links to online tutorials. You'll learn how to cast-on stitches, how to knit different stitches, how to purl, and how to bind off stitches.
